Sir,

In Government Proceedings No. X. 3257-60 / 342 dated 31st August 1900, Sanctioning the reorganization of the Police Force on the Kolar Gold Field, Government accepted a contribution of Rs 12,000 per annum from the Mining Companies to meet the Cost of a special Detective Staff. Statement D of the Proceedings laid down certain scale to meet the pay and allowances of this special Force, together with Miscellaneous Charges.

2. After an Experience of one and a half years in working this Detective Force, and after consultation with Sir John Lambert and Mr Thomas District Superintendent

of Police, Kolar Gold Fields, I find it necessary to suggest certain alterations in the distribution of the pay of the various grades, and in the allotmen for Travelling Allowances, Rewards, and Secret Service.

3. The New Yearly Estimate will exceed the former grant by Rs 1000 only, and Sir John Lambert assures me that no objection to this small increase will be raised by the Directors of the Mining Companies in England.

4. I would ask therefore that you will kindly recommend the Revised Scale to the favorable Considerations of Government as necessary under the altered Circumstances now prevailing, and after the experience gained in actual working of the Detective Force on the Kolar Gold Fields.
